

100 % Ticket Payout

The game

Try to push as many items as possible over the edge to win tickets.

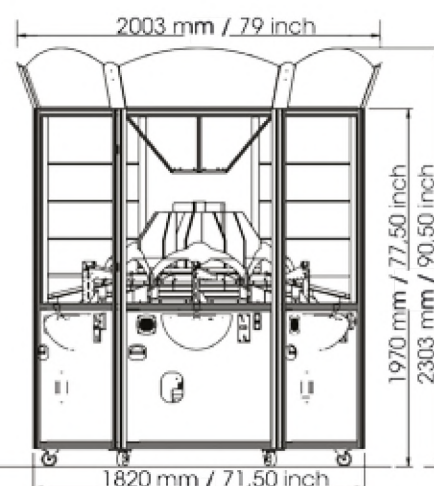

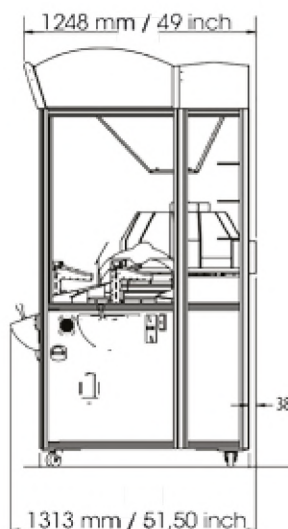

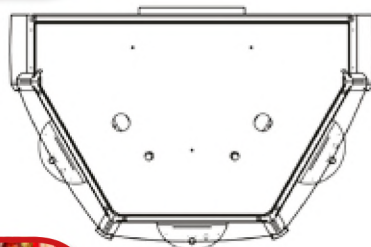

All items on the playfield represent a ticket value. All won tickets will be paid out immediately.

3-player

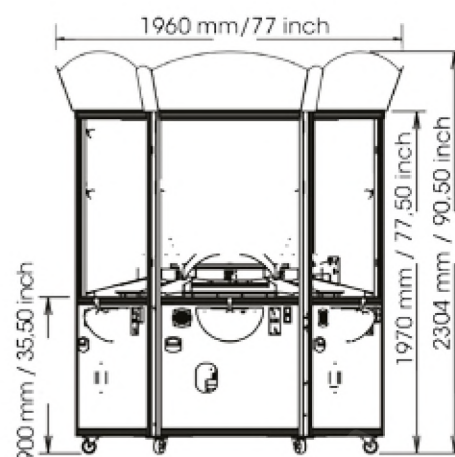

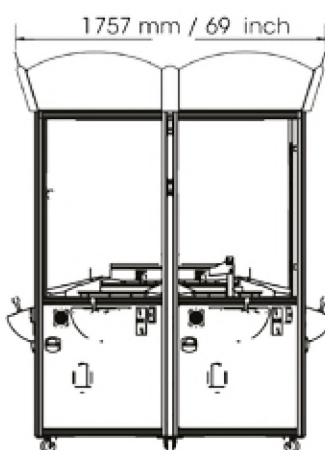

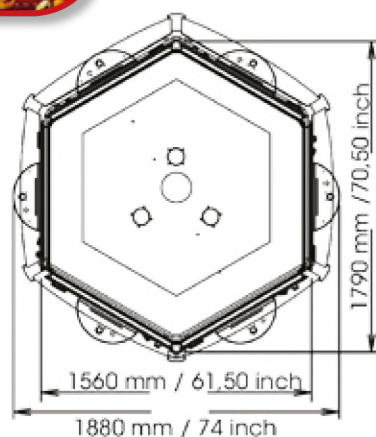

After the worldwide success of the Ticket Circus 6-player, the 3-player version is the answer to the demand for a smaller footprint.

The 3-player version has a nice showcase in the back, which gives great display to prizes to win. It is a great wall feature and 2 x 3-player back to back make a wonderful center piece in your FEC. Ticket Circus has a closed loop system for tokens and chips and a 100 % ticket payout.

2 bonus games are possible (fixed or variable, see www.elaut.com)
